Purpose of the Comprehensive School Safety Plan (CSSP)

Sections 32280-32288 of the California Education Code outline the requirements of all schools operating any kindergarten and any grades 1 to 12, inclusive, to write and develop a Comprehensive School Safety Plan relevant to the needs and resources of that particular school.

It is the intent of the Legislature in enacting the provisions to support California public schools as they develop their mandated Comprehensive School Safety Plans that are the result of a systematic planning process, that include strategies aimed at the prevention of, and education about, potential incidents involving crime and violence on school campuses. Comprehensive School Safety Plans are required under SB 719 & AB 115 and must contain the following elements:

- Assessment of school crime committed on school campuses and at school-related functions
- Child abuse reporting procedures
- Disaster procedures
- Suspension and expulsion policies
- Procedures to notify teachers of dangerous pupils
- Discrimination and harassment policies
- School wide dress code policies
- Procedures for safe ingress and egress
- Policies enacted to maintain a safe and orderly environment
- Rules and procedures on school discipline
- Hate crime reporting procedures

The Comprehensive School Safety Plan will be reviewed and updated by March 1st every year. In January every year, the school will report on the status of its school safety plan including a description of its key elements in the annual School Accountability Report Card (SARC).

A copy of the Comprehensive School Safety Plan Public Version – Part I is available for review at the Santa Cruz City Schools office, and online at sccs.net.

The Social Emotional Health Survey is administered every fall semester to students in the fourth and fifth grade at Monarch School. The questions are designed to address the following social emotional aspects of student life: persistence, gratitude, zest, and optimism. There is also a separate pro social behavior scale. While students generally demonstrate positive school climate, this data indicates a need to continue our implementation of restorative practices, especially community circles. Results from the Fall 2019 survey include:

In terms of the questions regarding gratitude, over 70% of students surveyed demonstrate feelings of gratitude most or all of the time.

In terms of the questions regarding optimism over 53% of students surveyed demonstrate feelings of optimism most or all of the time.

In terms of the questions regarding zest over 39% of students surveyed demonstrate feelings of zest most or all of the time.

In terms of the questions regarding persistence over 66% of students surveyed demonstrate feelings of persistence most or all of the time.

In terms of the questions regarding prosocial behaviors over 76% of students surveyed demonstrate belief that they behave positively most or all of the time.

There are multiple programs, initiatives and areas of school and staff focus that promote a positive school climate. Examples are listed below.

1. Community circles/Class Meetings
2. Positive Discipline
3. Trauma Informed Schools
4. School wide parent and staff education on anti-bias practices
5. Restorative Justice practices
6. Social/emotional curriculum

Monarch has embarked upon a 3-year implementation of restorative justice practices. Every Monarch student has participated in at least four community circles facilitated by a teacher(s) in their classes. Student participation in these circles is meant to foster an increased sense of school connectedness and safety. Students who participated in circles in 2019-20 indicated that their participation in the circles helped them feel like they belonged at Monarch. The principal and assistant principal are implementing conflict resolution based on restorative questions. They are keeping a database to monitor effectiveness of this strategy.

1. School counselor - meets with students on rotating schedule related to social and emotional issues like creating and maintaining friendships, family issues, etc.

The school registrar is also in the process of establishing a Rainbow Alliance Club that will be open to students at Branciforte Small Schools.

Board Policy 1312.3 is included in the Appendix.

Administration works collaboratively with SCCS personnel to field and address all complaints. Depending on severity of concern, complaints may be forwarded to SCCS District personnel.

Protocols to Address Mental Health Care of Pupils Who Have Witnessed a Violent Act

Pupils who have witnessed a violent act at school or at a school-sponsored activity, while going to or coming from school or a school sponsored activity, or during a lunch period on or off campus, will need attention to address their mental health. Witnessing violence and being a victim of violence at school have been found both positively and significantly associated with child psychological trauma symptoms and self-reported violent behavior, even after controlling for the effects of various demographic factors. Serious emotional and behavioral consequences can occur for students who are merely witnesses to violence (Flannery, D. J., Wester, K. L., & Singer, M. I., 2004).

Site-based collaboration is conducted to support any student who has witnessed a violent act and who needs support.

In the 2020-2021 school year, an electronic "student support request" form was developed and used to collect referrals from staff for student support of all types, including social-emotional support.

Procedures for Safe Ingress and Egress of Pupils, Parents, and School Employees to and from school

Several procedures are in place to ensure the safety of students, parents, and employees who are traveling to and from Branciforte Small Schools Campus. Orange cones are placed in the rear parking lot during student drop-off and pick-up to ensure an orderly drop-off and pick-up. The campus security supervisor monitors drop-off and pick-up in the rear parking lot. The rear parking lot is well-lit during after-school hours and on weekends.
